Section 1 – Project Overview & Scope of Services

1. Project Overview

Houston Community College (“HCC”) is seeking a Statement of Qualifications (SOQ) from interested attorneys and law firms to provide Legal Services on an as needed or case-by-case basis in accordance with the terms, conditions and requirements set forth in the Request for Qualifications (RFQ). HCC will be selecting firms to be part of a pool of qualified attorneys/law firms for the following three (3) categories of work:

- General Education Services; Selected Counsel will provide legal advice and representation for Trustee Elections, Public Procurement Law, Contracts, Higher Education, and Student Matters, excluding Labor & Employment, and Immigration;
- Public Financial & Tax Services; and
- Real Estate & Construction Services.

Firms submitting statement of qualifications under this RFQ may do so for any one category or any combination of the categories noted above. Firms submitting a statement of qualifications for more than one category shall submit a separate statement of qualifications as defined in Section 3.3 below (beginning on page 7) specific to each category.

In addition, firms shall complete Exhibit 1 and self-categorize their company as one of the following:

- Small – 9 or less licensed attorneys;
- Medium – 10 to 49 licensed attorneys; or
- Large – 50 or more licensed attorneys.

2. Conflicts of Interest

Any firm or attorney who is ultimately selected to represent HCCS will be prohibited from engaging in or carrying on any legal activity on behalf of any client which is directly adverse to HCCS or its interests, without the specific written consent and waiver of HCCS General Counsel. Waivers will be evaluated on a case-by-case basis. Any firm or attorney engaged to represent HCCS shall have a continuing duty to disclose such information.

3. Additional Requirements

HCCS shall have the right to terminate any contract for legal services at any time, with or without cause. The decision to terminate shall be at the sole discretion of HCCS General Counsel. The contracting firm or attorney will be paid for all services actually rendered and all costs actually incurred prior to the date of termination, and such payment for services already completed shall be the total compensation due to such firm or attorney for termination.

The attorneys/law firms selected per Category will be utilized as part of a pool of providers of legal services for further selection by HCC.

As a need arises, HCC will select the most qualified attorney or firm from the pool for the specific engagement. HCC will then issue a Letter of Engagement on a case by case basis. The Letter will set forth the scope of retention, confirm the rates applicable to the specific retention, and may designate the specific attorney(s) to provide the services required. HCC reserves the right

to designate specific attorney(s) in a selected law firm to work on specific cases or matter as lead counsel or associate counsel for services rendered pursuant to any resulting contract.

It is anticipated that the contract term for contract(s) awarded resulting from this solicitation, if any, will be three (3) years with the option to renew for two (2) one-year terms. Further, HCC reserves the right to extend the contract term on a month to month basis, not to exceed three (3) months upon the expirations of the initial term and any successive renewal term.

14. Small Business Development Program (SBDP):

The Houston Community College System's Small Business Development Program ("SBDP" or the "Program") was created to provide business opportunities for local small businesses to participate in contracting and procurement at Houston Community College (HCC).

The SBDP is a goal-oriented program, requiring Contractors who receive Contracts from HCC to use Good Faith Efforts to utilize certified small businesses. The Program applies to all Contracts over \$50,000, except Contracts for sole-source items, federally funded Contracts, Contracts with other governmental entities, and those Contracts that are otherwise prohibited by applicable law or expressly exempted by HCC. The SBDP is a race and gender-neutral program, however HCC actively encourages the participation of minority and women-owned small businesses in the SBDP.

To participate, small businesses must be certified by an agency or organization whose certification is recognized by HCC. Certification is based on the firm's gross revenues or number of employees averaged over the past three years, inclusive of any affiliates as defined by 13

C.F.R. § 121.103, does not exceed the size standards as defined pursuant to Section 3 of the Small Business Act and 13 C.F.R. § 121.201.

HCC recognizes certification by the following governmental and private agencies: Port of Houston Authority SBE Certification, Metropolitan Transit Authority of Harris County (METRO) SBE Certification, City of Houston SBE Certification, Texas Department of Transportation SBE Certification, City of Austin SBE Certification, South Central Texas Regional Certification Agency SBE Certification, Small Business Administration 8(a). HCC has the right to revoke acceptance of a business as a certified or qualifying small business and to conduct certification reviews.

Good Faith Efforts: HCC will make a good faith effort to utilize small businesses in all contracts. The annual program goals may be met by contracting directly with small businesses or indirectly through subcontracting opportunities. Therefore, any business that contracts with HCC will be required to make a good faith effort to award subcontracts to small businesses. The subcontracting goal applies to all vendors regardless of their status. By implementing the following procedures, a contractor shall be presumed to have made a good faith effort:

- a. To the extent consistent with industry practices, divide the contract work into reasonable lots.
- b. Give notice to SBDP eligible firms of subcontract opportunities or post notices of such opportunities in newspapers and other circulars.
- c. Document reasons for rejecting a firm that bids on subcontracting opportunities.

15. Prime Contractor/Contracts for Services:

The prime contractor must perform a minimum of 30% of any contract for services with its labor force and or demonstrate management of the contract for services to the satisfaction of HCC.

16. Internship Program:

HCC is expanding its student internship program. All vendors are encouraged to make a commitment to utilize certain HCC student(s) in an internship capacity with the company under any resulting contract for services required under this solicitation. The selected contractor will be expected to pay the student(s) at least the minimum wage required by law. HCC will provide the selected contractor with the name of student(s) eligible to participate in the internship program.

For additional information regarding the internship program, please contact the Procurement Operations Department at 713-718-5001.
